Excellent Placement Record

Today's global environment provides opportunities to young minds after graduation than ever before. Placement Team @ Mahindra University gives the students necessary wherewithal for accomplishing their career aspirations. It works in unison throughout the year so as to enable the students make informed decisions pertaining their career.

Mahindra University is a preferred choice for both Indian and international recruiters across various industry verticals from IT & Software, Consulting and Analytics, Engineering and Technology, R&D, Start-ups, Think Tanks, Financials etc for hiring. Students learn to face employers in a competitive campus hiring environment and are prepped for the same through various initiatives like workshops and preparatory sessions.

Over the period of 5 batches more than **200 recruiters** have participated in on-campus & off-campus for full time and internship processes and selected **90%** of the interested and eligible students. There is an addition of **35+ organisations** ever year over a plethora of sectors who are invited to our campus for recruitment.

Our students are the preferred choice of employers.

• Average CTC : **8 LPA**
 • Highest CTC : **45 LPA**
